

Up On Pacheco

Music and Lyrics by Doug Carlson

Jimmy better stop on the side of the road
think he's had enough today.
Hill's curves coming better hold him down
at least until the Truckers Cafe.

I'm up on Pacheco. Jimmy's drivin real slow
Red lights a flashing in the mirror
Roll down the window
And if we tired, and if we get wired
Just remember who you are. You're as far as you go.
Up on Pacheco!

Jimmy better stop he's asleep at the wheel
doesn't have a lot to say.
There's a cold wind blowing better hand him a beer
I can see Monterey!

I'm up on Pacheco. Jimmy's drivin real slow
Red lights a flashing in the mirror
Roll down the window
And if we tired, and if we get wired
Just remember who you are. You're as far as you go.
Up on Pacheco!

Well I'm up, up, up on Pacheco
Well I'm up, up, take another ride.
Got to take another ride.

Jimmy better stop he's out of control
love to take your life in his hands
Going down the back stretch into the fog
thought I saw an Indian man.

I'm up on Pacheco. Jimmy's drivin real slow
Red lights a flashing in the mirror
Roll down the window
And if we tired, and if we get wired
Just remember who you are. You're as far as you go.
Up on Pacheco!

Well I'm up, up, up on Pacheco
I'm up, up, up, don't you know that I'm.
up, up, up on Pacheco.
I'm up, up, take another ride.
